ARTISTIC EXPERIENCES

PERFORMANCE / DANCE

"QUEER MAFIA" / OCTOBER 2023 / By Havanja & The Queer Mafia

A story of performances in a parallel reality.

" I wanted to bring peace. But it has to start with rebellion"

Like a live anime, these performances revisit the codes of burlesque, theater, dance and striptease.

We follow the story of Havanja, an alien who lands on Earth. She will be confronted by Humans she believes to be predators. As her journey progresses, she manages to create a team: the Queer Mafia.

They will then have the ambition to conquer the world, other realms in order to spread intense peace, respect and intensity.
